To Whom It May Concern:

I would like to provide a letter of recommendation for the Medicus Firm and their recruiter, Ms. Victoria Miller. I have worked with Ms. Miller for over the past two years. She has been very instrumental in assisting me and Excela with several challenging recruitment efforts in Neurology, General Surgery, Primary Care and Orthopedics. She is viewed as an extension of my department and works collaboratively and professionally with me on all of the recruitment initiatives.

I have found that Ms. Miller has very good communication skills, problem solving techniques and has a comprehensive fund of knowledge pertaining to physician recruitment.

I highly recommend Medicus and Ms. Miller to partner with your organization as you embark on challenging physician recruitment searches. If you have any questions, please contact me at 724-830-8500.

Sincerely,

Rina A. Guerrieri, M.Ed.  
Director, Physician Relations
